Crew is me plus 4, so 5 total. No oversize vehicles except those making deliveries of heavy equipment. Planning on staging a rolloff for trash and porta toilets (on service day) at the switch back in Gladstone. I can move those down to Colorado Goldfields if necessary.

Steve – do you want a conex box to keep stuff out of rain? Would probably be a pain to get it to the site, but it be at Colorado Godfields.

Elliott - please prepare the information requested below. Matt can provide crew size information and schedule- M - S, 7:30 - 5:30 generally.

Just call it an addendum to the LUP form.

Thank you

**Subject: RE: EPA Work - Red and Bonita / Gold King mines: Land Use Permit Information**

Hi Steve,

Thank you for providing the land use applications for the work at the Gold King and Red/Bonita this July. The information provided is useful. A couple of questions:

- 1) Do you have Site Maps that identify the two (2) sites and work area boundaries?
- 2) Anticipated hours of operation ("x" days/week between \_\_\_am-\_\_\_pm).
- 3) How large are the work crews/number of vehicles?
- 4) Any large/oversize vehicles and/or staging areas required?

I will prepare the Land Use Permits after July 4<sup>th</sup> in time for the proposed scope of work to begin.

Let men know if you have any questions and I will do the same.

Thank you, Steve. We look forward to working with you on the successful completion of these projects in San Juan County.

Regards,

Bob

Hello Bob,

Attached are the two land use permit forms completed for this year's work. Please let me know if you have questions or require additional information. Also, I will be in town next week if you would like to meet.

Sincerely,

Steve
